Mandatory Documentation

Question	Description	Question Type
Technical Proposal	It is mandatory that the proposal includes a comprehensive list of all items, products, quantities, and services required (Bill of Quantities – BOQ). The format should be closely similar to the commercial proposal format that will be submitted in the commercial envelope but without prices or any commercial information. Additionally, the Technical Proposal must clearly delineate the scope of work, highlighting both inclusivity and exclusivity. It is important to specify if any BOQ items fall within the proposal price or are offered as optional. Pls acknowledge the above and in case the submittal is not complying with above , then DAHC has the right to disqualify the Participant.	Yes/No Value
